Slurs, Signs, and Dynamics

Ties across bar lines

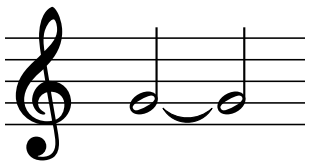

A dot cannot carry a note past a bar line. To hold a note into the next measure, write it again after the bar line and tie the two notes. Play the first note only; hold it through the tied note and keep counting.

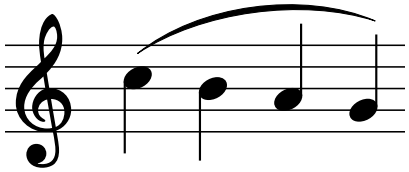

G is held for three beats: two in measure 1, one in measure 2.

Slurs

A **slur** is a curved line over or under two or more notes of different pitches. Play slurred notes smoothly connected, with no break in the sound; smooth, connected playing is called **legato**. A tie joins notes of the same pitch; a slur joins different pitches.

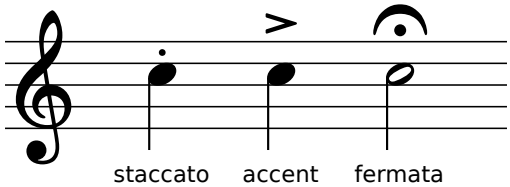

Tie: same pitch, hold

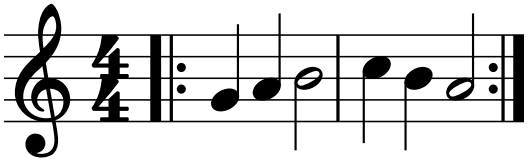

Slur: different pitches, connect

Articulation, the fermata, and the repeat sign

- A **staccato** dot above or below a notehead means play the note short and detached.
- An **accent** (>) means play the note louder than the notes around it.
- A **fermata**, a curved line over a dot, means hold the note longer than its value. The performer decides how long.
- A **repeat sign** is a double bar line with two dots. Dots on the left of the bar line mean play the passage again, from the matching sign with dots on the right, or from the beginning if there is none.

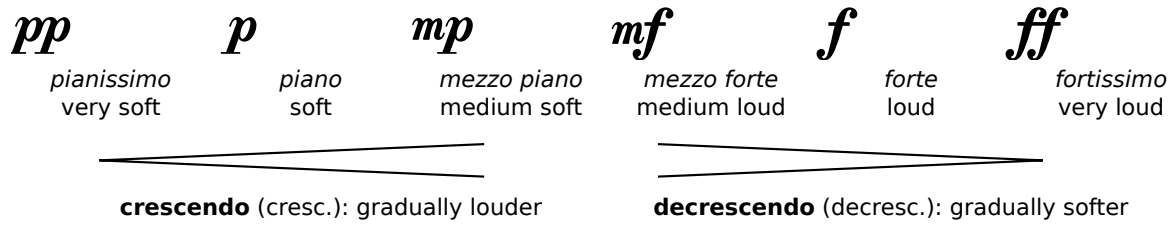

Repeat signs: play measures 1 and 2 twice.

Dynamics

Dynamics are signs for how loudly or softly to play. Most are abbreviations of Italian words, and they are written below the staff.

crescendo (cresc.): gradually louder

decrescendo (decresc.): gradually softer

Name _____ Date _____

Ties, Slurs, and Signs

A. Tie or slur? Write tie or slur under each curved line.

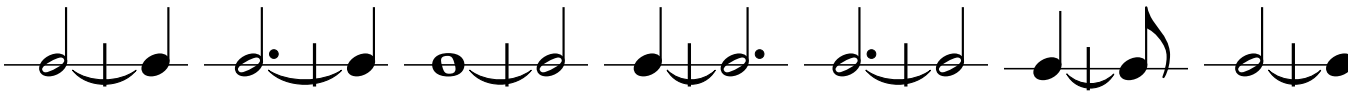

EXAMPLE 1. 2. 3. 4. 5. 6.

EXAMPLE: tie

B. Ties across bar lines Write the total number of beats each tied note lasts. The quarter note receives one beat.

EXAMPLE 1. 2. 3. 4. 5. 6.

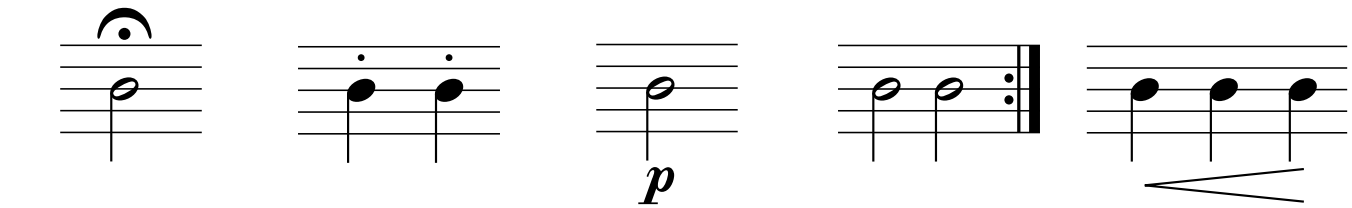

EXAMPLE: 3

C. Match the signs Write the letter of the matching name under each sign.

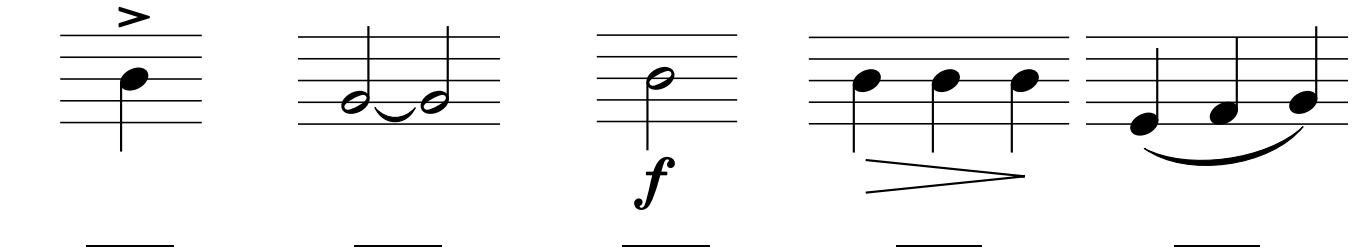

A staccato	**B** accent	**C** fermata	**D** slur	**E** tie	**F** repeat sign	**G** crescendo	**H** decrescendo	**I** forte
J piano								

EXAMPLE 1. 2. 3. 4.

EXAMPLE: C

5. 6. 7. 8. 9.

D. Dynamics in order Write the six dynamic marks pp, p, mp, mf, f, and ff in order, from softest to loudest.

1. Softest to loudest
